Rewa Rewa School Offers

Quality State Education for students Years 0-6 (5-11 years), within a diverse and inclusive community.

Education with an emphasis on active learning, student engagement, key competencies and RIDE values (Respect, Integrity, Diversity & Empathy).

Each term a Big Idea/Concept is explored. This may include **Science, Social Studies, Technology or Health**, with an emphasis on the importance of understanding the world around us. During the year events to share learning achievements are held.

Rewa Rewa RIDE Expectations and Values form the basis of the discipline policy at Rewa Rewa School. Children are encouraged to consider the needs of others in their everyday interactions with children and staff. In addition to this, clearly stated steps are followed should the need arise.

Te Ao Māori
We have a strong Te Ao Māori kaupapa, with opportunities to perform at interschool events.

Assistance in reading, writing and mathematics is available through a variety of needs-based programmes, such as the PTP Reading programme and Writers Club.

Sport and Outdoor Education are an important part of life at Rewa Rewa School. Children are encouraged to participate in a wide variety of sports and regularly offered opportunities to mix with other schools and share sporting competitions. Students in Yr 5-6 participate in an outdoor education camp at one of Wellington's outdoor education facilities each odd-numbered year (eg. 2019, 2021, 2023 etc.).

Swimming Pool
Swimming is part of the Curriculum and Rewa Rewa School is one of the few schools in our area to have a covered, heated pool available for instruction. We operate in partnership with Easyswim swim school and Term 1class lessons are free for all students. Open Days and community events, such as triathlons, maximise use of our pool.

Leadership Opportunities are offered to our students, such as Student Leaders, Sports Leaders, Peer Mediators and EPro8 Challenge.

Music
We have specialist music teachers who provide music lessons once a week for every classes. Families may also opt for their children to receive private, individual lessons from our music teachers.

Transition programme for four year olds - New entrants are transitioned into school with a programme of visits, as well as through our partnership with Newlands Childcare, Bright Star Education & Care, Newlands and Paparārangi Kindergartens.

After School Care - An OSCAR-approved After School Care Programme for 5-13 years is available 3-6pm Mon-Fri during term time and for two weeks in each of the term holidays, including January (2 wks prior to Term 1).

REWA REWA SCHOOL STRATEGIC PLAN 2019 – 2021

Our Vision: Learning for Life Together **Our Values**: R.I.D.E. Respect Integrity Diversity Empathy

Our Strategic Goals	Our Initiatives	Our 3 Year Success Outcomes
Goal 1 **Empower lifelong learners.**	Learners will: 1. Understand and apply the **Active Learner Skills** to develop their agency as learners. 2. Confidently demonstrate the **Active Learner Competencies** that enhance collaborative learning within an Innovative Learning Environment (ILE). 3. Strengthen their engagement in learning by developing the **Active Learner Qualities.**	*Our learners are able to*: Articulate and take responsibility for their own learning. Apply the skills and attitudes of successful Active Learners. Collaborate, reflect and learn from their mistakes. Monitor their own achievement and ongoing success. Be innovative and curious learners. Successfully contribute to the communities in which they belong. Competently demonstrate their citizenship and R.I.D.E values.
Goal 2 **Build a collaborative and innovative teaching team.**	Teachers will: 1. Undertake professional learning to enable the implementation of the Active Learner Skills school-wide. 2. Teach the Active Learner Competencies within a responsive Innovative Learning Environment (ILE) to support learners to achieve to their potential. 3. Strengthen teacher capabilities through inquiry to develop the Active Learner Qualities in learners. 4. Implement innovative initiatives to progress target learners, including Māori and Pasifika.	*Our teachers are able to* Trial and promote learning opportunities that support our learners to achieve ongoing success within a collaborative Innovative Learning Environment (ILE).
Goal 3 **Strengthen genuine partnerships with our whānau and community.**	Together we will: 1. Strengthen connections and relationships with our parents to enable them to more effectively support their children as learners. 2. Develop active engagement and commitment from those within our school community. 3. Foster a strong 'Sense of Belonging' by enhancing the connections between ourselves and our wider community.	*Our community is able to* Actively engage in 'Home and School' partnerships that support children to be successful learners and that promote active participation to help our school community thrive.

Parent Information

Emergency Contacts
Please inform the Office **IMMEDIATELY** of any changes to contact details (address/phone/email), or custody arrangements. It is absolutely vital that we are able to contact a Primary Caregiver **at all times**. In the case of a civil emergency (such as earthquake or flooding), notifications and updates will be available on our website, Facebook page and Skool Loop app (free to download and use).

Notifications
Email is used to distribute notices & newsletters, as well as invoices and regular account statements. Newsletters are emailed to families every second Wednesday of term and are also available via our website and Skool Loop app.

Lost Property
Lost property is kept in the Hall. From time to time property will be displayed for classes to view. Please name your child's clothing.

Absences
You must call or email **before 9am EVERY day your child is absent**, unless a return date has been notified. Please **do not** notify teachers without first contacting the Office (messages can be left at any time on (04) 939 0186 or email office@rewarewa.school.nz). There is also an email link for reporting absences via our website. We cannot accept messages from children. **If your child is late, they must report to the Office on arrival**. If your child is leaving school early or going to an appointment, you must sign them out at the Office. In the event of overseas travel, you must provide written notice to the Office & Principal of your child's travel (email is fine).

Clothing & Equipment
There is no school uniform. Children need to wear appropriate clothing and sports shoes for physical education, as classes do fitness or sport every day. ***Wide-brimmed sunhats are compulsory in Terms 1 & 4*** and a personal supply of sunscreen is requested. A named water bottle is required for year-round use. We expect that on wet days, students who walk to school will wear appropriate clothing, such as a raincoat.

Road Patrol
The Padnell Crescent crossing is patrolled by our Road Patrollers and an adult between 8.40-8.50am in the morning and 3.00-3.15pm in the afternoon. Please arrange to have your children cross between these times if you require them to be supervised. We ask that adults also use this crossing when it is patrolled. We encourage all parents to regularly volunteer to supervise the Road Patrol, freeing up teachers to be in their classrooms. This is enormously appreciated. Note: there is no patrolled crossing on Stewart Drive.

Carpark
The carpark is for **staff only**. Please do not use the carpark or driveway to drop off or pick up children before or after school.

Parent Helpers
Parents are encouraged to help with a wide variety of activities within the school. If you would like to offer help to the school, please see your child's teacher or contact the Office.

Valuables
Children are not to bring toys, electronic devices or valuables to school. Mobile phones are to be checked in to the class teacher for safekeeping during the day.

Medicines
If your child requires medicine during school time you must complete a form authorising staff to administer (available from the Office). Under no circumstances are medicines to be sent to school without the knowledge of staff, full instructions and authorisation for use.

Internet Agreement
Each student has an internet agreement which is signed by parents. This is completed on admission. BYOD is currently by negotiation with the Principal on a case by case basis.

Lunches
We encourage healthy packed lunches with a minimum of plastic waste. Students are encouraged to take all uneaten food home in their lunchbox. Please make sure children have enough food for both morning tea and lunch.

Pita Pit Lunches are available to order on Wednesdays, order forms are available from classrooms and should be enveloped with exact money (no change will be given). Orders must be received at the Office before 9am on Wednesdays.

Lunchonline delivers on Fridays, go to www.lunchonline.co.nz for registration and details.

Fonterra Milk in Schools
Children are provided with a 200ml drink of milk daily, subject to parental permission.

Dental Nurse
The Regional Dental Service is onsite once a year. If you have any concerns regarding your child's teeth outside of this time, please call Bee Healthy (0800 825 583).
